

Sahil Ohe

Software Builder · Content Researcher · Aspiring Math Researcher

sahilohe97@gmail.com · India · Remote · github.com/sahilohe · linkedin.com/in/sahil-ohe ·

SUMMARY

Technical and research oriented learner with a background in mathematics, software development, and quantum computing. Has worked on web projects, computational research, technical writing, and independent study.

EXPERIENCE

Technical Lead · Lesgoo Media

Remote · Apr 2026 – Present

- Develop and maintain the company website and backend systems.
- Work with Vanilla JavaScript, Railway, and Cloudflare for web development and deployment.
- Work on projects from requirements through development, deployment, and maintenance.

Content Manager · Jake Explains

Remote · Aug 2025 – Jul 2026

- Worked on content research, ideation, and scriptwriting for Instagram and YouTube.
- Researched topics, developed concepts, and wrote scripts through to publication.
- Coordinated with the content team on scripting, production, and publishing.
- Worked on interactive software projects alongside the content.

PROJECTS & RESEARCH

Toward a Grounded Definition of AGI · Research · Technical Writing

github.com/sahilohe/AGI_Definition

Developed a framework for defining AGI by comparing existing definitions and examining their assumptions, limitations, and implications.

LesgooMedia · Full Stack Web Application

lesgoomedia.com

Designed and built the company website and supporting backend systems; currently maintain and extend the project.

Jake or Fake · Full Stack Web Application

jakeorfake.com

Built a browser based trivia game as an interactive extension of Jake Explains content.

Unique Agro Tech · Full Stack Web Application

uniqueagrotech.in

Built a full stack website for an agricultural products business; recently launched and under development.

SKILLS

Programming: Python, Haskell, Wolfram Language

Research: Mathematics, Content Research & Writing

CURRENT FOCUS

Mathematics, Computational Experiments, Quantum Computing and Constitutional Law

EDUCATION

12th Grade (CBSE) · Prabhat Kids School · 2022 – 2023

10th Grade (CBSE) · Noel School · 2020 – 2021

CERTIFICATIONS & PROGRAMS

Qiskit Advocate Program · IBM Quantum

Qiskit Global Summer School 2024 · Quantum Excellence

IBM Quantum Challenge 2024

Basics of Quantum Information

Practical Introduction to Quantum Safe Cryptography

Quantum Business Foundations

Quick Start to Wolfram Tech
